MANUFACTURED HOME PERMIT APPLICATION

Carteret County is in WIND ZONE III (130 MPH)

All homes located within 1500 feet of the coastline in Wind Zone III shall have the structural system of the home and the stabilizing system designed in accordance with ASCE 7-88, Exposure "D".

If a home HAS been designed for Exposure "D", this will be indicated on the Data Plate, and the manufacturer must provide anchoring and tie down instructions specifically for Exposure "D".

The "coastline" is defined as land directly adjacent to the Atlantic Ocean, directly adjacent to all Sounds, whether mainland or island shores, and directly adjacent to the Intracoastal Waterway, whether mainland or island shores.

I have read and understand this statement.

*Electrical work must be installed by contractor licensed in the State of North Carolina. **EXCEPTION:** Any person may perform the work when the mobile home AND the land on which it is placed is owned by that person AND the home is for their own use (not rental purposes). Approval must be granted to the applicant for wiring their home by scheduling an appointment with their electrical inspector before any work is performed. Applicant agrees to comply with all Building Regulations and other applicable laws to the use of the structure and facilities referred herein. The permit issued for work shall expire by limitations six (6) months after the date of issuance if the work authorized has not commenced. If after commencement, the work is discontinued for a period of twelve (12) months, the permit shall expire. No work authorized by any expired permit shall be performed until a new permit has been secured.
