Councilman Jim Bailey

W. K. Dickson

Preliminary Findings from Stormwater & Wastewater Master Planning Project.

Public Comment

Town Residents and Property Owners

1. Residents and Property Owners are encouraged to present their suggestions and concerns related to the topics of Stormwater and Wastewater in Atlantic Beach.
 - Sign Up Sheet will be provided at the meeting site.
2. Oral comments will be limited to three (3) minutes for each presenter.
3. No combining of three (3) minute segments will be allowed to assure the opportunity for the broadest participation by all interested parties.
4. In addition to the oral comments, the Town will accept written suggestions, concerns and/or questions for review and response at a later date.
5. Forum will be videotaped and minutes prepared for public examination according to the regular minutes schedule.

Adjournment

Mayor Tootsie Vinson
