RESIDENTIAL YARD WASTE, which includes grass clippings, leaves, tree and shrubbery trimmings, and other yard maintenance waste, is picked up by the Town of Atlantic Beach. Please bag the leaves and grass clippings. Limbs must be cut in lengths no longer than 4 feet. Place these items at the curbside. Please do not place items for pickup next to poles, mailboxes, fencing, under trees or under overhead lines as a boom truck is used for pickup. Large loads equal to half a truck full or more will require payment in advance to the Town Hall. The Public Works staff is not authorized to accept any form of payment.

Most yard waste is chipped into mulch that is available for Atlantic Beach residents.
